

2020

# Calvert Pinot Noir

A wine with great personality,  
borne of small things done beautifully.

The 2020 Calvert Pinot Noir is dark ruby red in colour.

The nose is dominated by savoury characters of earthiness,  
black doris plum, blackberry compote and cardamom spices.

This leads into a wine with silky textured smooth tannins.

The earthiness thread becomes the backbone of the palate and is  
complemented by the rounded, brooding dark fruit characters and  
spiciness creating a luscious lingering mouth feel.

2020 is a cooler seasoned slower ripening vintage for the  
Calvert vineyard resulting in a solid wine with great cellaring potential.

## Calvert wine is made in the vineyard:

- + Calvert Vineyard organically certified
- + Clones 115 and 10/5
- + Rows 26 - 35

---

ALCOHOL 13%    PH 3.71    TA 5.9G/L

---

## Small things done beautifully

Calvert is a careful balance of  
sustainable production and open  
spaces - an approach that considers  
future generations.
