

2021

# Calvert Pinot Noir

A wine with great personality,  
borne of small things done beautifully.

The 2021 Calvert Pinot Noir is dark ruby red in colour.

The nose is dominated by lively savoury characters of dried thyme  
and cinnamon spice.

This leads into a wine with silky textured smooth tannins.

Dark berry fruits and robust earthy flavours lead to a smooth  
lengthy finish on the palate.

2021 was a great growing season. The grapes ripened well and the  
fruit harvested resulted in a strong concentrated structural wine.

## Winemaking Notes:

- Calvert Vineyard organically certified
- Clones 115 and 10/5
- Rows 26 - 35
